**Netsmart**  
Public Health's Trusted Knowledge and Technology Partner

Netsmart provides a comprehensive set of solutions for public health, including an ARRA-certified Electronic Health Record (EHR), practice management, clinical options, and functionality to meet state and national requirements. We also have software designed for the way you work, the financial stability to be here for you today and tomorrow, and a collaborative client community to enable you to share ideas and advice with peers from across the country.

Visit us at the conference and use our Meaningful Use calculator to determine your health department's potential incentive funds!

Netsmart's Avatar 2011, CMHC/MIS 4.2 and Insight 7.1 are 2011/2012 compliant and have been certified by the Drummond Group, an ONC-ATCB in accordance with the applicable certification criteria adopted by the Secretary of Health and Human Services. This certification does not represent an endorsement by the U.S. Department of Health and Human Services or guarantee the receipt of incentive payments.

**W**

SCHOOL OF PUBLIC HEALTH  
UNIVERSITY of WASHINGTON

## Executive MPH

*A Flexible, World-Class Program*

Designed for professionals who take on today's major health challenges. Learn from expert faculty and a diverse community of professionals. **Contact us to apply.**

www.uwemph.org | 206-685-7580 | uwemph@uw.edu

## Live well. Stay well.

At the Community Health Education Center (CHEC), a part of Salem Health, we can help with questions or concerns about health-related issues. Our expert nurse health educators are here to provide free information to the public—no appointment needed.

**Also attend great classes and events**

- Healthy cooking classes
- Body and mind exercise classes
- Support group meetings

The CHEC is located on the Salem Hospital campus, 890 Oak St. SE, Bldg. D, first floor.  
**Hours:** Monday through Thursday, 10 a.m. – 7 p.m.  
Friday, 10 a.m. – 6 p.m.
