Performance Management Framework

Presenters: Rachel Posnick, Epidemiologist
Lyndsie Schwarz, Health Educator

Performance Standards are comprised of organizational or system standards, targets, and goals to improve public health practices. Standards may be set based on national, state, or scientific guidelines, benchmarking against similar organizations, the public’s or leaders’ expectations, or other methods.  

- **Goal**: Strategic Priority 1: Provide the Five Basic Health Services based on national, state, or scientific guidelines; benchmarking against similar organizations; the public’s or leaders’ expectations; or other methods.  

- **Linkages**: Reporting Progress is the documentation and reporting of how standards and targets are met, and the sharing of such information through appropriate feedback channels.  

- **Report Format**: Marion County Health Department Staff, Stakeholders/Partners, Community/Public  

- **Strategy Plan**:  
  - **Objectives**:  
    - Improve and/or maintain infrastructure that supports the Five Basic Health Services Performance Management System, Quality Improvement Plan.  
  - **Steps**:  
    - Improve and/or maintain infrastructure that supports the Five Basic Health Services Performance Management System, Quality Improvement Plan.
