'Everyone is affected.' Immigration raids turn Oregon city into ghost town

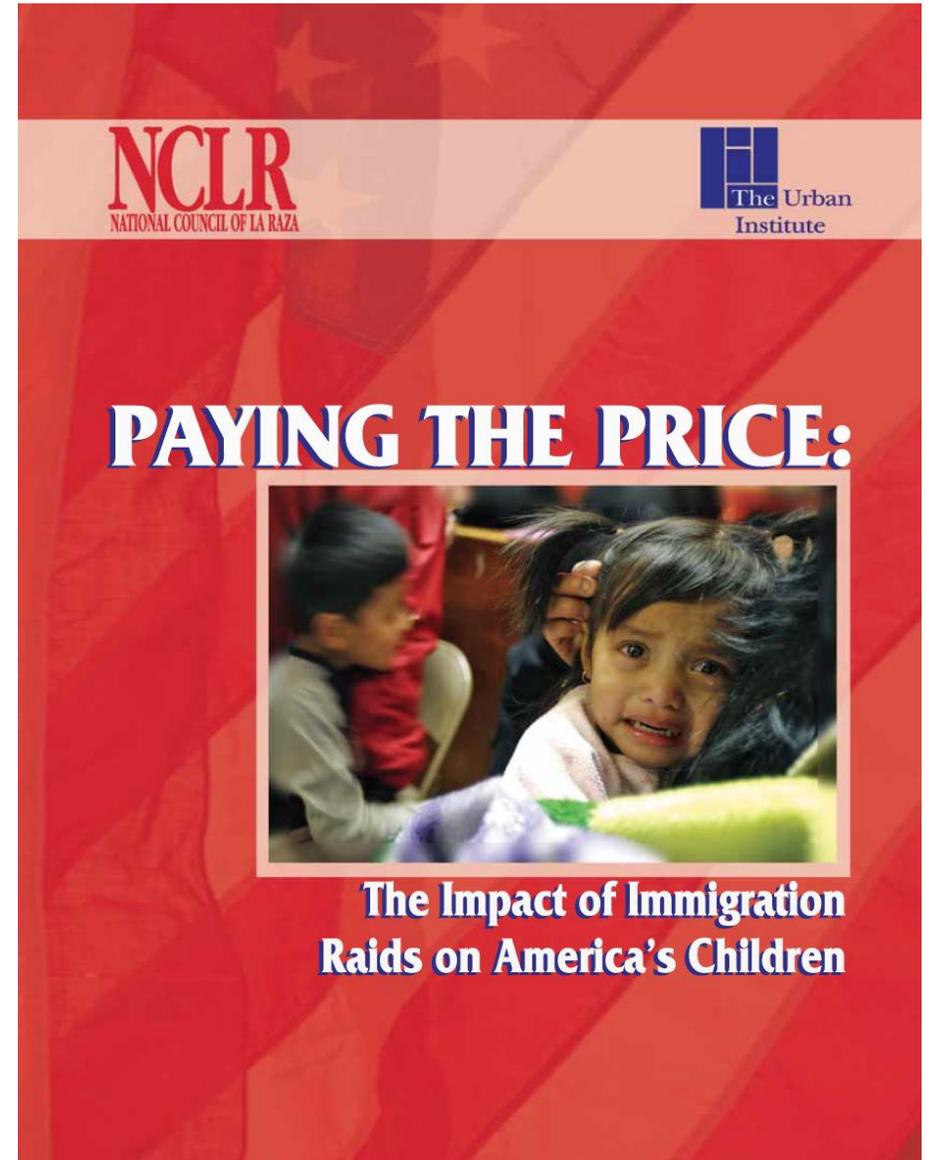

Updated on April 12, 2017 at 2:45 PM, Posted on April 7, 2017 at 6:01 AM

Erosion of
trust

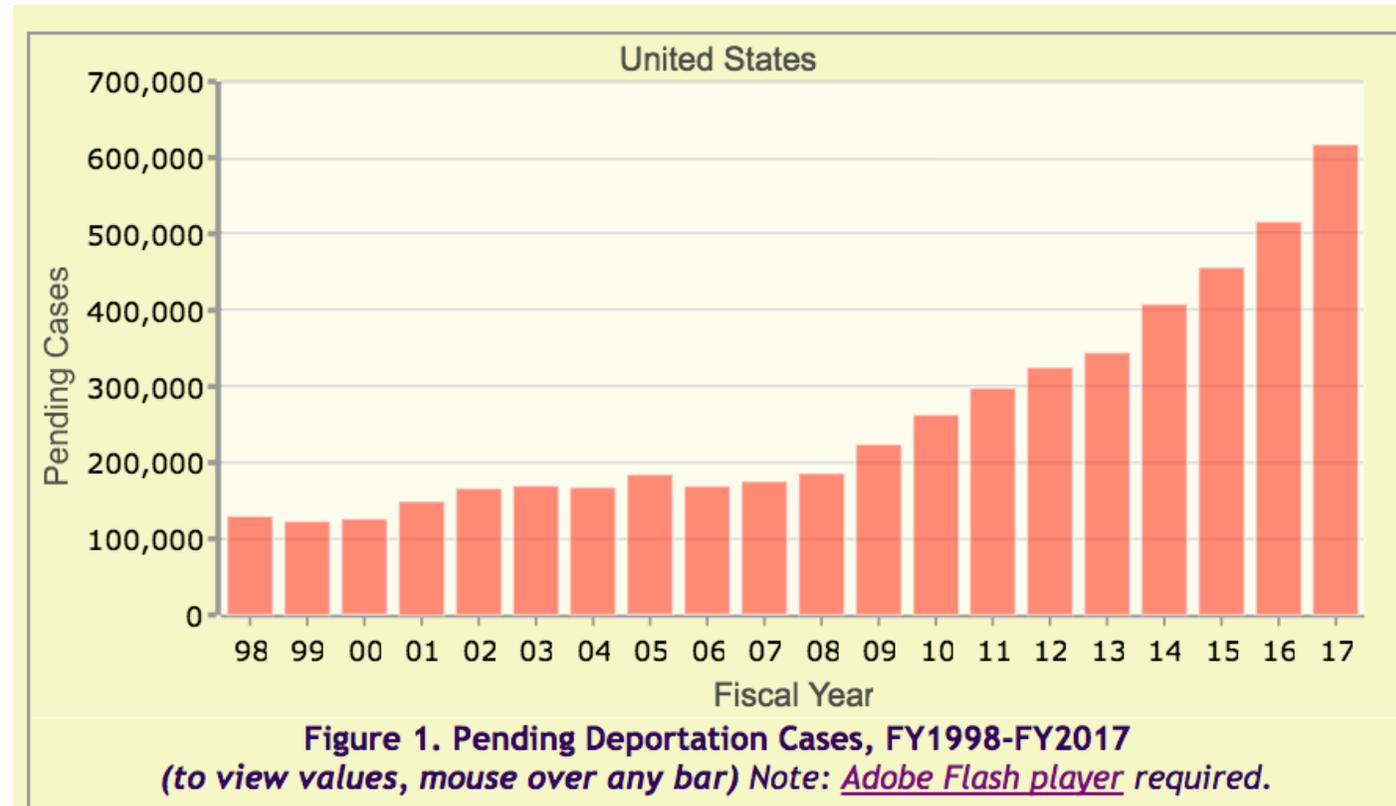

Latinos are reporting fewer sexual assaults amid a climate of fear in immigrant communities, LAPD says

Long-term consequences

- Chronic stress → death and disease
- Nearly 6 million U.S. citizen children (~ 90,000 in Oregon) live with at least one undocumented family member
- Housing instability
- Food insecurity

Pending deportation cases

<https://qz.com/771583/a-record-half-million-cases-are-waiting-to-be-heard-by-us-immigration-courts/>
<http://trac.syr.edu/immigration/>

Figure 1 shows the number of cases pending before the Immigration Courts by fiscal year. For prior years, the number shown represents pending cases at the end of each fiscal year (September 30). For FY 2017, the number is the currently pending caseload.

ICE Refuses To Release More Comprehensive Detainer Data
