Collaborative Continuum

NEUTRAL BACKBONE ORGANIZATION

Trust Takes Time and Intentionality

JRHA (2005-2019):

- Established learning community
- Relationship-focused
- Shared vision of community health
- Neutral space for dialogue
- Project incubator

TOOLS FOR BUILDING COLLABORATIVE PARTNERSHIPS

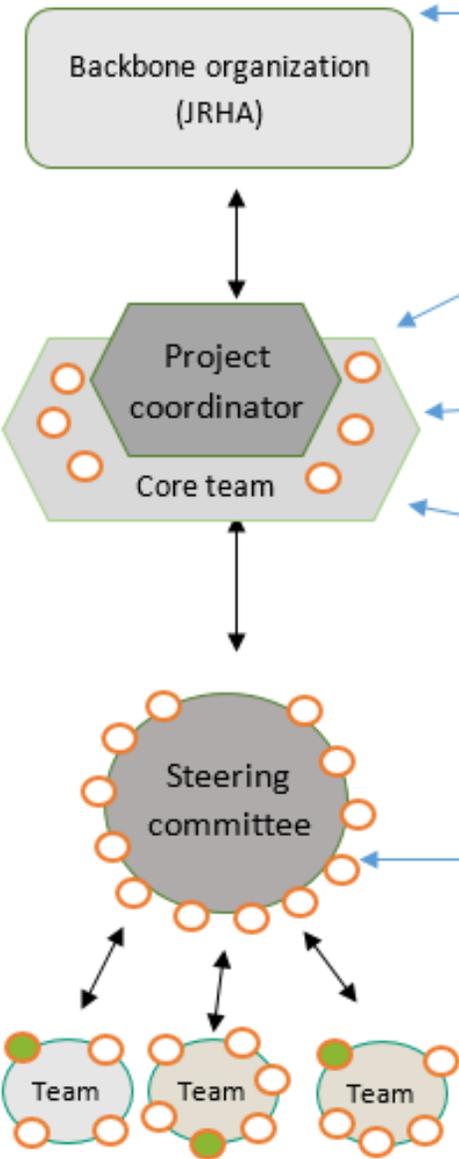

Organize for Success

- Structure – Backbone Convener, Core Team, Steering Committee, Workgroups
- Dedicated Capacity – Staff to support day to day and keep agenda moving forward
- Culture of Collaboration – Champions vs Representatives
- Data Driven Decision-Making

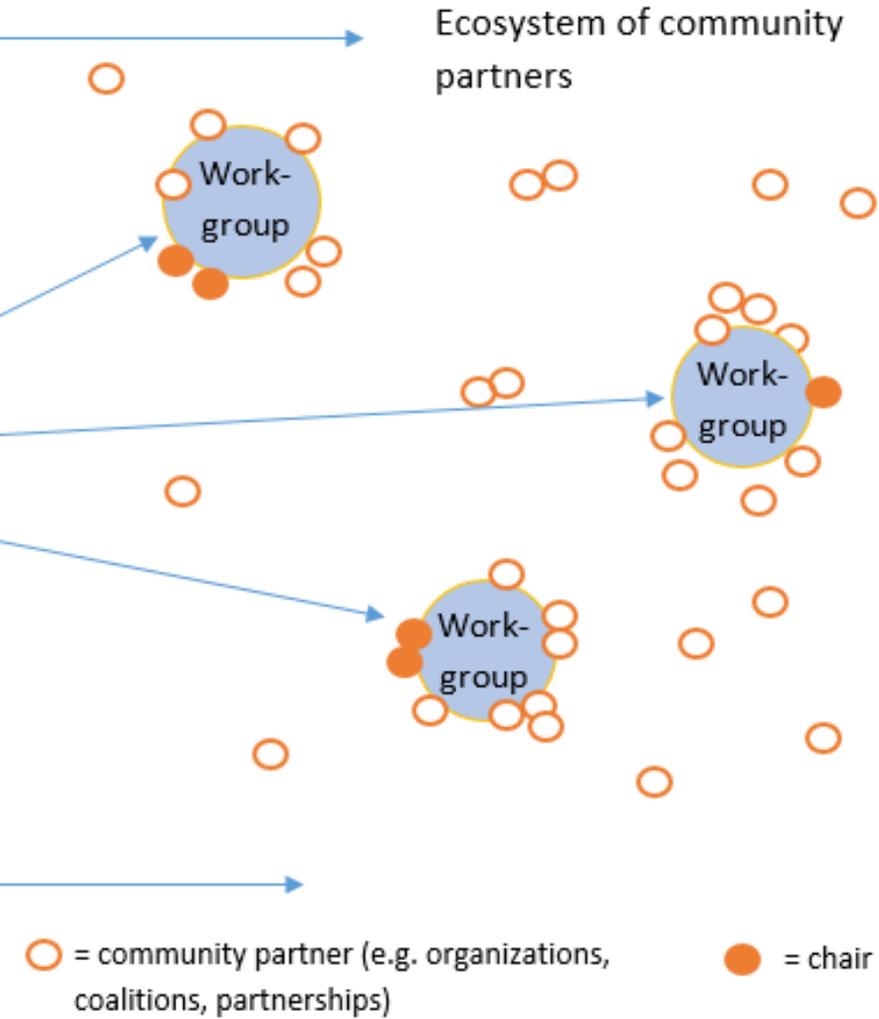

NEUTRAL CONVENERS – CORE LEADERSHIP TEAM

- Non-profit—Jefferson Regional Health Alliance
- Governmental Public Health—Jackson County Public Health
- Land Grant University—Oregon State University Extension Service
- Health System Transformation—Oregon Health Authority

Strategic guidance and support

Action on common priority areas

ALL IN FOR HEALTH

JACKSON & JOSEPHINE COUNTIES

A healthy community is everyone's business
