The 81st Annual Conference & Meeting

The OPHA Annual Conference and Meeting is the premier public health event in Oregon. Since 1944, public health leaders, professionals, educators, advocates, students and stakeholders have come together to share the latest in research, programs, and information. Join us for this inspiring event!

Your sponsorship supports our important mission to advocate for policies that protect and promote health and health equity for all people in Oregon, and provide learning, collaboration and leadership opportunities for public health professionals and the broader community.

October 14th and 15th, 2025 - The [Wingspan Event Center](#), Hillsboro, Oregon

Our Community

Our conference attendees include decision-makers, administrators, educators, policy makers, public health leaders and practitioners, researchers, non-profit executives, students, and recent graduates.

The public health sector spans government, business, and the nonprofit sectors. Professionals who attend our conference include doctors, social workers, epidemiologists, scientists, community health workers, community planners, nutritionists, dentists, chiropractors, occupational professionals, health educators, nurses, academics, and more.

The Oregon Public Health Association

An affiliate of the American Public Health Association, the Oregon Public Health Association (OPHA) is a statewide membership organization serving public health professionals and leaders in Oregon. A sponsorship with OPHA is an opportunity to champion the future of public health by:

- **Supporting** public health professionals and students across Oregon through education, training, and career-building opportunities
- **Advancing** strong, statewide partnerships that drive innovation and collaboration in healthcare
- **Elevating** public health priorities and shaping a healthier future for all communities

Our services and programming provide valuable opportunities, including Special Interest Sections, active committees, our annual academic-style conference, interactive learning groups, continuing education, vibrant networking events, and meaningful contributions to advancing public health.
